

IEEE Day at Qatar University

The IEEE Day 2016 was held on 16/10/2016 at Qatar University in the presence of the QU IEEE SB members and some senior IEEE members. It was the first event organized by the newly elected Qatar Section Ex-Com which comprised of Dr. Sumaya Al Maadeed(Chairman and Head of Computer Science and Engineering Department), Dr. Noora Fetais (Vice Chairman), Eng. Amith Khandakar (General Secretary) and Eng. Joyal John (Treasurer).

The event was part of the celebration done worldwide to encourage the IEEE Members. The event had the Chairman and General Secretary discussing about the vision. They were seeking the participation from all the members in making the IEEE Qatar Section more active. They were looking for the contribution to the IEEE in its vision and mission of ***Advancing Technology for Humanity***.

The event was graced by the presence of Dr. Mazen Hasna (VPCAO at Qatar University) the distinguished IEEE Members. Dr. Khalifa al Khalifa (Dean of College of Engineering), Prof. Lazhar Ben Brahim (Head of the Department of Electrical Engineering), Dr. Nizar Zorba (QU IEEE SB Faculty Counselor), and Faculty Members from the Departments of Computer Science and Engineering, and Electrical Engineering (Qatar University) as well as the QU IEEE SB Ex-Com and Members were present at the event.

The event concluded with a Presentation from Siemens Qatar and the IEEE Day Cake Cutting Celebration with the Ex-Com promising more of such events and requesting more support/collaboration from the IEEE Qatar Section Members.
