Additional Information

After being accepted by the employer, the students should apply for an internship visa under student visas category at the Turkish Consulate located in their homeland before their travel to Turkey. Otherwise, they should note that they will have to register at the migration management office where they reside by applying for a short term residence permit as soon as they arrive in Turkey. So we advise them to finalize their visa issues under a correct application and within a reasonable duration before their internship starts. As this is a long term offer, the students will have to apply for a short term residence permit within 30 days after entering the country!
*Lodging will be arranged by the university LC; so please consult yeldaates@bilkent.edu.tr for your questions related to reception&accommodation for the offer, ONLY AFTER you have received your acceptance from your IAESTE office.
